

(d)(1) Except as provided in § 870.701, the Basic insurance of an insured employee who is in nonpay status stops on the date the employee completes 12 months in nonpay status, subject to a 31-day extension of coverage. The 12 months' nonpay status may be broken by periods of less than 4 consecutive months in pay status. If an employee has at least 4 consecutive months in pay status after a period of nonpay status, he/she is entitled to begin the 12 months' continuation of Basic insurance again. (2) For the purpose of paragraph (d)(1) of this section, 4 consecutive months in pay status means any 4-month period during which the employee is in pay status for at least part of each pay period.

(3) For the purpose of paragraph (d)(1) of this section, an individual who is entitled to benefits under part 353 of this chapter is considered to be an employee in nonpay status.

(e) Except for employees, annuitants, and compensationers who elect direct payment as provided in § 870.405 of this part, Basic insurance stops, subject to a 31-day extension of coverage, at the end of the pay period in which the employing office or retirement system determines that an individual's periodic pay, annuity, or compensation, after all other deductions, is not enough to cover the full cost of Basic insurance.
